# Attestation of Successful Participation

Massive Open Online Course on  
Designing a Smart Specialisation Strategy

Executive Education Course

We hereby confirm that Adrian Florea has successfully passed with a score of 98.02% the above-mentioned online course which took place between October 7, 2019 and December 20, 2019.

At the end of the online course, participants are able to:

- Understand the concept of smart specialisation strategy, its principles and how this approach differs from previous approaches in the domain of regional innovation policies.
- Design and operationalise a smart specialisation strategy.
- Learn to use the tools and methods to i) develop a knowledge and information base with a view to identifying the potentials and opportunities underlying priority strategic domains and ii) measure the evolution of the strategy and the resulting success.

Prof. Dominique Foray  
*Chair of Economics and Management of Innovation*  
*École Polytechnique Fédérale de Lausanne (EPFL)*

Martin Eichler  
*Chief Economist*
