Subject Appointment of doctoral committee

Delft University of Technology

Board for Doctorates  
Graduate School

Visiting address  
Jaffalaan 9a  
2628 BX Delft

[www.graduateschool.tudelft.nl](http://www.graduateschool.tudelft.nl)

Dear committee member,

Following the receipt of the doctoral committee proposal for doctoral candidate **Ir. M. Lefter**, the Board for Doctorates has decided to appoint you as a member in the following committee:

Chairman: Rector Magnificus (or his replacement)		
Promotor:	Dr. S.D. Cotofana	EWI
Copromotor:	Dr.ir. J.S.S.M. Wong	EWI
Independent members:	Prof.dr. L. Anghel	U. Grenoble-Alpes, France
	Prof.dr. L. Vintan	Lucian Blaga U. of Sibiu, Romania
	Prof.dr. J. Pineda de Gyvez	TU Eindhoven
	Prof.dr. A. Rubio Sola	U-Catalunya
	Prof.dr. P.J. French	EWI
Reserve member:	Prof.dr.ir. W.A. Serdijn	EWI

Enclosed you will find the propositions, the draft dissertation: "On Leveraging Vertical Proximity in 3D Memory Hierarchies" and the guidelines for doctoral committee members, which contain information on the evaluation criteria, the voting protocol and other relevant excerpts from our Doctoral Regulations.

You are requested to give your judgement concerning whether the draft dissertation is of satisfactory level and appears to show sufficient evidence that the doctoral candidate is capable of independently practising science and whether the doctoral candidate can be admitted to the doctoral defence (see Article 14 in the guidelines).

After assessing the draft dissertation, please complete the form on page two and return it to [graduateschool@tudelft.nl](mailto:graduateschool@tudelft.nl). You may vote as follows:

- A. Approval without reservation;
- B. Approval with reservation;
- C. No approval.

We expect to receive your vote before **Tuesday, 2 October 2018**. Please adhere to this deadline, because, if you fail to respond by this date, the ceremony may have to be postponed. Upon receipt of the committee members' judgement (or upon passing of the deadline), the Board for Doctorates will inform you of the vote's outcome.

Provided the candidate is granted permission to defend the dissertation, the doctoral defence ceremony will take place **on Wednesday, 14 November 2018 at 10.00 hours** in the Senaatszaal of the Auditorium, Mekelweg 5 in Delft. The preparation for the defence by the committee starts at **9:30** hours. The beadle expects you in the gown room at **9:15** hours.

If you are not willing or able to accept the nomination to this committee, please contact us as soon as possible. If you have questions, please contact the Graduate School Office.

Yours sincerely,  
for the Board for Doctorates,

Prof.dr.ir. T.H.J.J. van der Hagen  
Rector Magnificus
